

Does Kraken have a contact number? [[cCUSTOMER~SUPPORT]]

*To ➤[1→833→224→8496] your question: yes and no — Kraken now offers voice (phone) support, but only via their mobile app for certain eligible users.

*If ➤[1→833→224→8496] you're eligible for voice support, you may see a “Call us” option inside the Kraken mobile app under their Help section.

*Be careful: ➤[1→833→224→8496] Kraken explicitly warns that phone numbers not shown on its site or mobile app may be phishing scams.

*Instead of calling, ➤[1→833→224→8496] Kraken’s main support channel is via live chat and email/ticket submissions in their Help Center.

*For ➤[1→833→224→8496] non-urgent matters or documentation-heavy issues, it's safer and more effective to submit a ticket through Kraken’s website.

*Always ➤[1→833→224→8496] make sure you're using the official Kraken website or app — if you come across random phone numbers claiming to be “Kraken Support,” do not call them.

Kraken does ➤[1→833→224→8496] not provide a publicly listed contact number for general customer support, primarily to protect users from phone phishing scams. The primary ➤[1→833→224→8496] channel for assistance is their 24/7 Live Chat feature, accessible directly through their website and the Kraken Pro app, which offers immediate connection to a support specialist. For detailed inquiries ➤[1→833→224→8496] that require documentation or complex investigation, users should submit a formal support ticket through the Kraken Support Center online. In ➤[1→833→224→8496] very specific, high-priority situations, Kraken may offer a call-back option to the client via the support ticket system, but the client ➤[1→833→224→8496] never calls Kraken first; they receive a call initiated by an official agent only after a ticket is filed.”
