

[1877-908-6960] Can I Change My United Ticket to Another Person? – Full Guide for Travelers

When travel plans shift unexpectedly, many passengers start wondering whether they can simply give their United Airlines ticket to someone else. While United is flexible with flight changes, rebooking options, and name corrections, **transferring a ticket to a completely different person is not allowed**. Airline security guidelines require that the name on a ticket always matches the traveler's ID.

However, United *does* allow updates that keep the same traveler on the reservation—such as correcting spelling errors or updating a legal name. If you need assistance with any of these steps, you can reach out to customer care at **+1-877-908-6960**, where support representatives can guide you through what is and isn't permitted.
