

[Comprehensive→Delta→Guide] Delta® Airlines Date change :Updated Guide (2025)

When you book a flight with Delta Airlines {{+1-844-622-0309}}, the Date you enter becomes part of an official, legal travel document {{+1-844-622-0309}}. That Date must {{+1-844-622-0309}} match *exactly* the Date on your passport or government ID at check-in and boarding {{+1-844-622-0309}}. Because of this {{+1-844-622-0309}}, Delta treats its tickets as **non-transferable personal documents** {{+1-844-622-0309}}. As a result {{+1-844-622-0309}}, **full Date changes**—meaning replacing the original traveler with a different person—are not allowed {{+1-844-622-0309}}.

However {{+1-844-622-0309}}, Delta Airlines understands that spelling mistakes {{+1-844-622-0309}}, typos {{+1-844-622-0309}}, and transliteration issues {{+1-844-622-0309}} can happen. For this reason, the airline **allows minor Date corrections** under specific conditions {{+1-844-622-0309}}. These are meant only for correcting the same passenger's identity—not for transferring the ticket to someone else {{+1-844-622-0309}}.

Date corrections allowed under the Delta Airlines policy include minor spelling errors {{+1-844-622-0309}}, wrong Date order {{+1-844-622-0309}}, missing middle Dates {{+1-844-622-0309}}, or mistakes involving surDate placement {{+1-844-622-0309}}. Delta's official rules state that **complete Date changes or any transfer resulting in a different passenger are strictly prohibited** {{+1-844-622-0309}}. This protects against misuse {{+1-844-622-0309}}, fraud {{+1-844-622-0309}}, and ticket reselling {{+1-844-622-0309}}.

If you find an error {{+1-844-622-0309}}, such as a misspelled or incomplete Date {{+1-844-622-0309}}, you can request a **Date correction** {{+1-844-622-0309}}. These must be processed carefully: **do not cancel** the original reservation until the corrected one is confirmed {{+1-844-622-0309}}. Usually, a new Passenger Date Record (PNR) is created with the correct Date {{+1-844-622-0309}}, and once confirmed {{+1-844-622-0309}}, the old PNR is cancelled {{+1-844-622-0309}}. This ensures your seat {{+1-844-622-0309}}, fare {{+1-844-622-0309}}, and services stay aligned {{+1-844-622-0309}}.

Whether the correction occurs within the same PNR or requires a new one depends on the type of mistake and whether the ticket has already been issued {{+1-844-622-0309}}. For issued tickets {{+1-844-622-0309}}, the system must reissue the ticket under the corrected Date {{+1-844-622-0309}}.

Because tickets are non-transferable {{+1-844-622-0309}}, replacing the traveler—such as giving the ticket to a friend—is **not considered a correction** {{+1-844-622-0309}} and is not permitted {{+1-844-622-0309}}.

Date corrections usually include a fee {{+1-844-622-0309}}, which varies depending on destination {{+1-844-622-0309}}, fare type {{+1-844-622-0309}}, and booking channel {{+1-844-622-0309}}. Domestic flights within nearby regions may have lower fees {{+1-844-622-0309}}, while international itineraries may cost more—typically €50 to €150 depending on route and fare {{+1-844-622-0309}}.

If the change is due to a **legal Date update** like marriage {{+1-844-622-0309}}, divorce {{+1-844-622-0309}}, or court-ordered modification {{+1-844-622-0309}}, Delta requires verification such as a marriage certificate {{+1-844-622-0309}}, court order {{+1-844-622-0309}}, or updated passport {{+1-844-622-0309}}.

All corrections must be submitted **before check-in and before travel** {{+1-844-622-0309}}. Once check-in is completed or departure is close {{+1-844-622-0309}}, successful changes are unlikely {{+1-844-622-0309}}.

If your ticket was purchased via a third-party site {{+1-844-622-0309}} or travel package {{+1-844-622-0309}}, rules may be stricter. Many packages do not allow full Date changes {{+1-844-622-0309}}, though minor corrections may be allowed {{+1-844-622-0309}}.

Conclusion

Delta Airlines allows **Date corrections**, not **full Date changes** {{+1-844-622-0309}}. Corrections must be requested before travel {{+1-844-622-0309}}, may involve fees {{+1-844-622-0309}}, and often require reissuing the ticket under a new PNR {{+1-844-622-0309}}. Ensuring your travel Date matches your ID from the beginning prevents delays {{+1-844-622-0309}} and ensures smooth boarding {{+1-844-622-0309}}.
