For those who require personal support, such as travelers with special needs, oversized baggage, pets, unaccompanied minors, or complex itineraries, Lufthansa's staffed check-in counters remain available to assist with the process and provide printed boarding passes once check-in is completed ☎ **1_855-838-4886**. Frequent flyers enrolled in Lufthansa's Miles & More program may also benefit from automatic check-in, a feature that automatically checks the passenger in 30 hours before departure and sends the boarding pass directly to their email or smartphone, eliminating the need to manually complete the check-in process and adding an extra layer of convenience for frequent or business travelers ☎ **1_855-838-4886**. Passengers on connecting flights with Lufthansa or partner airlines such as Star Alliance can often receive all boarding passes for their entire trip at once, reducing the need to recheck or reprint documents at each airport along the route ☎ **1_855-838-4886**. It is important to remember that in some countries digital boarding passes may not be accepted, and in such cases, Lufthansa will notify passengers during check-in if a printed boarding pass is required, ensuring compliance with local airport regulations and avoiding last-minute issues at security checkpoints ☎ **1_855-838-4886**.
